SECTION: 6B1
SEMESTER: Spring 2026

Date: 25/04/2026

Language Name: RYNEX

Standard Function	My Function	Short Description
Add / Sum	Addixx	Adds two numbers
Subtract	Subixx	Subtracts two numbers
Multiply	Multixx	Multiplies two numbers
Divide	Divixx	Divides two numbers
Modulus	Modixx	Finds remainder
Power	Powerix	Raises to power
Square Root	Sqrtixx	Finds square root
Absolute	Absvall	Returns absolute value
Maximum	Maxvall	Finds maximum value
Minimum	Minvall	Finds minimum value
Average	Avgvall	Calculates average
Increment	Incvall	Increases value by 1
Decrement	Decvall	Decreases value by 1
Factorial	Factvall	Calculates factorial
Logarithm	Logvall	Calculates logarithm
Sine	Sinvall	Finds sine value
Cosine	Cosvall	Finds cosine value
Tangent	Tanvall	Finds tangent value
Random Number	Randvall	Generates random number
Round	Roundvall	Rounds a number
Floor	Floorvall	Rounds down
Ceiling	Ceilvall	Rounds up
Compare	Comparexx	Compares two values

Equal Check	Isequall	Checks equality
Not Equal	Notequall	Checks inequality
Greater Than	Isgreaterr	Checks greater value
Less Than	Islesss	Checks smaller value
